

COVID-19 Update

To our friends,

Our thoughts are with you all during this challenging time for all of humanity. Gatherings, celebrations, and parties are all part of the fabric of our culture. At the Party Rental Place that's what we do, it's who we are and it's why we started this company. Although we are not physically gathering at this time due to social distancing, we are still here for you should you have any future party and event rental needs. A general practice of ours is to thoroughly clean and disinfect every item we rent out once we get it back. We take pride in ensuring you have the very best. One day we will all be able to gather, celebrate, and have parties again. When that time comes, we hope you party with us!

Our Best,

Two handwritten signatures in black ink are positioned to the right of the text 'Our Best,'. The first signature is a large, stylized 'R' with a long horizontal stroke. The second signature is a more complex, cursive-style signature with multiple loops and a long horizontal stroke.
